A Customary fee is within the range of usual fees charged and received for a particular service by dentists of similar training in the same geographic area.

A Reasonable fee schedule is reasonable if it is Usual and Customary. Additionally, a specific fee to a specific Enrollee is reasonable if it is justifiable considering special circumstances, or extraordinary difficulty, of the case in question.

WHO IS COVERED?

All students enrolled under the UC GSHIP (University of California Graduate Student Health Insurance Plan) are eligible to enroll and receive Benefits in this plan.

Coverage for eligible students and their Dependents shall start on the Effective Date.

 - iii. UC Merced
 - iv. UC San Diego
 - v. UC San Francisco
 - vi. UC Santa Cruz
 - b. Class 2: All graduate students of the University of California campuses listed in 1.a. who are registered-in-absentia.

Note: A student may waive enrollment in the plan during the waiver period specified by their home campus, by providing proof of coverage that meets benefit criteria specified by the University. A waiver is effective for one academic year and must be completed again during the waiver period at the start of each Fall quarter or semester of the academic year. Waiver requests for each academic term within a year (Winter or Spring quarter or semester) are also available. Information about waiving enrollment in the plan may be obtained from Student Health Services on the student's campus.

2. The following classes of individuals may enroll voluntarily as insured students:
 - a. All non-registered "Filing Fee" status graduate students of the University of California campuses at Davis, Merced, San Diego, San Francisco and Santa Cruz, who are completing work under the auspices of the University of California but are not attending classes.  - b. All non-registered graduate students of the University of California campuses at Davis, Merced, San Diego, San Francisco and Santa Cruz, who are on Planned Educational Leave or Approved Leave of Absence status. While in either status, these students may purchase plan coverage for a maximum of one semester or two quarters. The student must be covered by the plan in the term immediately preceding the term the student wants to purchase. These students may enroll by contacting Wells Fargo Insurance Services at 800-853-5899.
 - c. All former graduate students of the University of California campuses listed in 1.a. above who completed their degree (graduated) during the term immediately preceding the term for which they want to purchase coverage. These individuals may purchase plan for a maximum of one semester or one quarter. These individuals may enroll by contacting Wells Fargo Insurance Services at 800-853-5899.

 4. A graduating student may purchase continuation coverage only if he or she were enrolled in SHIP in the prior coverage period.

Note: If both student parents are covered as insured students, their children may be covered as the dependents of either, but not of both.

2. Students are required to provide proof of dependent status when enrolling their dependents in the plan. The following documents will be accepted:
 - a. For spouse, a marriage certificate

- f. For any dependent, the date of loss of other coverage. An official letter of termination from the insurance carrier must be provided at the time of enrollment in GSHIP.

No Dependent in the military service is eligible.

ENROLLING YOUR DEPENDENTS

Coverage with your medical plan is combined. You must enroll your Dependents for coverage in this plan when they enroll in your medical plan.

COVERAGE COSTS

The premium you pay the University for UC GSHIP includes the cost of this dental plan.

The amount of the Premium may change at each renewal of the Contract between the University and Delta Dental. Premiums will not increase during the contract year unless there is an agreement between the University and Delta Dental to change the Premiums.

WHEN YOU ARE NO LONGER COVERED

1. Coverage will end on the last day of the coverage period for which you are enrolled. Coverage periods vary by campus; you may contact the Student Health Services on your campus for the dates of your coverage periods.
2. When the plan terminates or the Contract between Delta Dental and the University is discontinued or canceled, your coverage ends immediately.
5. If the plan no longer provides coverage for the class of students to which you belong, your coverage ends on the effective date of that change.
6. If the student graduates from the University, the student's coverage continues through the last day of the coverage period during which the student graduates from the University.
7. Coverage of dependents ends when the student's coverage ends or when the dependent no longer meets the dependent eligibility requirements, whichever occurs first.

If a student withdraws or is dismissed from the University during a coverage period, whether or not coverage is continued after the date of withdrawal or dismissal will be determined by campus policy. Contact the Student Health Insurance Office at your campus' Student Health Services for more information.

Enrollment in the plan may be terminated for the reasons listed below.

- a. The student is disruptive, unruly or abusive to the extent that the ability of Student Health Services to provide services to the student and other clients is seriously impaired, or the student fails to maintain a satisfactory provider-patient relationship after Student Health Services and the plan administrator have made all reasonable efforts to promote such a relationship.
- b. The student knowingly gives Student Health Services or the plan administrator incorrect or incomplete information in any document or fails to notify the plan administrator of changes in his or her status that may affect eligibility for benefits.
- c. The student knowingly misrepresents plan enrollment status or coverage.

Enrollment in the plan may not be terminated on the basis of sex, race, color, religion, sexual orientation, ancestry, national origin, physical disability or disease status.

CANCELING THIS PLAN

Delta Dental may cancel this plan only on an anniversary date (period after the plan first takes effect or at the end of each renewal period thereafter), or any time if payments required by the Contract are not made to Delta Dental.

If the Contract is terminated for any cause, Delta Dental is not required to predetermine services beyond the termination date or to pay for services provided after the termination date, except for Single Procedures begun while the Contract was in effect which are otherwise Benefits under the Contract.

If this plan is canceled, you and your Dependents have no right to renewal or reinstatement of your Benefits.

YOUR BENEFITS

Your dental plan covers several categories of Benefits, when the services are provided by a licensed dentist, and when they are necessary and customary under the generally accepted standards of dental practice.

After you have satisfied any Deductible requirements, Delta Dental will provide payment for these services at the percentage indicated up to a Maximum of \$1,000.00 for each Enrollee in each contract year for services provided by a Delta Dental PPO Dentist or \$750.00 for each Enrollee in each contract year for services provided by other dentists. These amounts are cumulative: no enrollee shall have more than \$1,000.00 paid per contract year for all benefits.

The following Benefits are limited to the applicable percentages of dentist's fees or allowances specified below. You are required to pay the balance of any such fee or allowance, known as the "Enrollee co-payment." If the dentist discounts, waives or rebates any portion of the Enrollee co-payment to the Enrollee, Delta Dental only provides as Benefits the applicable allowances reduced by the amount that such fees or allowances are discounted, waived or rebated.

Preventive - prophylaxis (cleaning); fluoride treatment; space maintainers

Note on additional Benefits during pregnancy. If you are pregnant, Delta Dental will pay for additional services to help improve your oral health during pregnancy. The additional services each contract year while you are eligible in this Delta Dental plan include: one additional oral examination and either one additional routine cleaning or one additional periodontal scaling and root planing per quadrant. Written confirmation of your pregnancy must be provided by you or your dentist when the claim is submitted.

60% if provided by other dentists

Sealants - topically applied acrylic, plastic or composite material used to seal developmental grooves and pits in teeth for the purpose of preventing dental decay

Adjunctive General Services - general anesthesia; I.V. sedation; office visit for observation; office visit after regularly scheduled hours; therapeutic drug injection; treatment of post-surgical complications (unusual circumstances); limited occlusal adjustment

III. CROWNS, INLAYS, ONLAYS AND CAST RESTORATION BENEFITS

IV. PROSTHODONTIC BENEFITS

50% if provided by a Delta Dental PPO Dentist

40% if provided by other dentists

Construction or repair of fixed bridges, partial dentures and complete dentures are Benefits if provided to replace missing, natural teeth

LIMITATIONS

1. Only the first two oral examinations, including office visits for observation and specialist consultations, or combination thereof, in a contract year are Benefits while you are eligible under any Delta Dental plan. See Note on additional Benefits during pregnancy.
2. Full-mouth x-rays are Benefits once in a five year period while you are eligible under any Delta Dental plan.

Delta Dental pays for a panoramic x-ray provided as an individual service only after five years have elapsed since any prior panoramic x-ray was provided under any Delta Dental plan.

3. Bitewing x-rays are provided on request by the dentist, but no more than twice in any calendar year for children to age 18 or once in any calendar year for adults age 18 and over, while you are eligible under any Delta Dental plan.
4. We pay for two cleanings or a dental procedure that includes a cleaning each calendar year under any Delta Dental plan. If you are pregnant during this time, we may pay for an additional cleaning. See Note on additional Benefits during pregnancy.

Routine prophylaxes are covered as a Diagnostic and Preventive Benefit and periodontal prophylaxes are covered as a Basic Benefit.

5. Fluoride treatments are covered twice each calendar year under any Delta Dental plan.
6. Periodontal scaling and root planing is a Benefit once for each quadrant each 24-month period. See note on additional Benefits during pregnancy.
7. Sealant Benefits include the application of sealants only to permanent first molars through age eight and second molars through age 15 if they are without caries (decay) or restorations on the occlusal surface. Sealant Benefits do not include the repair or replacement of a sealant on any tooth within two years of its application.
8. Direct composite (resin) restorations are Benefits on anterior teeth and the facial surface of bicuspid. Any other posterior direct composite (resin) restorations are optional services and Delta Dental's payment is limited to the cost of the equivalent amalgam restorations.
9. Crowns, Inlays, Onlays and Cast Restorations are Benefits on the same tooth only once every five years, while you are an Enrollee under any Delta Dental plan, unless Delta Dental determines that replacement is required because the restoration is unsatisfactory as a result of poor quality of care, or because the tooth involved has experienced extensive loss or changes to tooth structure or supporting tissues since the replacement of the restoration.
10. Prosthodontic appliances are Benefits only once every five years, while you are eligible under any Delta Dental plan, unless Delta Dental determines that there has been such an extensive loss of remaining teeth or a change in supporting tissues that the existing appliance cannot be made satisfactory. Replacement of a prosthodontic appliance not provided under a Delta Dental plan will be made if it is unsatisfactory and cannot be made satisfactory.
11. Delta Dental will pay the above percentage of the dentist's fee for a standard partial or complete denture. A standard partial or complete denture is one made from accepted materials and by conventional methods.
12. Implants (appliances inserted into bone or soft tissue in the jaw, usually to anchor a denture) are not covered by your plan. However, if implants are provided along with a covered prosthodontic appliance, Delta Dental will allow the cost of a standard partial or complete denture toward the cost of the implants and the prosthodontic appliances when the prosthetic appliance is completed. If Delta Dental makes such an allowance, we will not pay for any replacement for five years following the completion of the service.
13. If you select a more expensive plan of treatment than is customarily provided or specialized techniques, an allowance will be made for the least expensive, professionally acceptable, alternative treatment plan. Delta Dental will pay the applicable percentage of the lesser fee for the customary or standard treatment and you are responsible for the remainder of the dentist's fee.

For example: a crown where an amalgam filling would restore the tooth; or a precision denture where a standard denture would suffice.

EXCLUSIONS/SERVICES WE DO NOT COVER

Delta Dental covers a wide variety of dental care expenses, but there are some services for which we do not provide Benefits. It is important for you to know what these services are before you visit your dentist.

Delta Dental does not provide benefits for:

DEDUCTIBLES

For services provided by a Delta Dental PPO Dentist:

You must pay the first \$25.00 of Covered Services, except for Diagnostic and Preventive Benefits, for each Enrollee in your family in each contract year.

For services provided by other dentists:

You must pay the first \$50.00 of Covered Services, except for Diagnostic and Preventive Benefits, for each Enrollee in your family in each contract year.

OTHER CHARGES

Delta Dental's co-payment for your Benefits is shown in this Evidence of Coverage under the caption titled "YOUR BENEFITS." If dental services are provided by a Delta Dental Dentist or a Delta Dental PPO Dentist, you are responsible for your co-payment only. If the dental services you receive are provided by a dentist who is not a Delta Dental Dentist or Delta Dental PPO Dentist, you are responsible for the difference between the amount Delta Dental pays and the amount charged by the non-Delta Dental dentist.

COVERED FEES

It is to your advantage to select a dentist who is a Delta Dental Dentist, since a lower percentage of the dentist's fees may be covered by this plan if you select a dentist who is not a Delta Dental Dentist.

A list of Delta Dental Dentists (see DEFINITIONS) is available online at www.deltadentalins.com/ucgship or by calling 800-765-6003.

Payment to a Delta Dental PPO Dentist will be based on the applicable percentage of the lesser of the Fee Actually Charged, the dentist's accepted Usual, Customary and Reasonable Fee on file with Delta Dental, or a fee which the dentist has contractually agreed upon with Delta Dental to accept for treating enrollees under this plan.

Payment to a Delta Dental Dentist will be based on the applicable percentage of the lesser of the Fee Actually Charged, or the accepted fee that the dentist has on file with Delta Dental.

Payment for services by a California dentist, or an out-of-state dentist, who is not a Delta Dental Dentist will be based on the applicable percentage of the lesser of the Fee Actually Charged, or the fee that satisfies the majority of Delta Dental Dentists.

Payment for services by a dentist located outside the United States will be based on the applicable percentage of the lesser of the Fee Actually Charged, or the fee that satisfies the majority of Delta Dental dentists.

CHOICE OF DENTISTS AND PROVIDERS

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

Nearly 29,000 dentists in active practice in California are Delta Dental Dentists. About 16,500 of these Delta Dental Dentists are also Delta Dental PPO Dentists. While covered under the PPO plan, you are free to choose any dentist for treatment, but it is to your advantage to choose a Delta Dental Dentist. This is because his or her fees are approved in advance by Delta Dental. Delta Dental Dentists have treatment forms on hand and will complete and submit the forms to Delta Dental free of charge.

If you choose a Delta Dental PPO Dentist, you will receive all of the advantages of going to a Delta Dental Dentist, and you may have a higher level of Benefits for certain services.

If you go to a non-Delta Dental Dentist, Delta Dental cannot assure you what percentage of the charged fee may be covered. Claims for services from non-Delta Dental Dentists may be submitted to Delta Dental at P.O. Box 997330, Sacramento, CA 95899-7330.

Dentists located outside the United States are not Delta Dental Dentists. Claims submitted by out-of-country dentists are translated by Delta Dental staff and the currency is converted to U.S. dollars. Claims submitted by out-of-country dentists for Enrollees residing in California are referred to Delta Dental's Quality Assessment department for processing. Delta Dental may require a clinical examination to determine the quality of the services provided, and Delta Dental may decline to reimburse you for Benefits if the services are found to be unsatisfactory.

A list of Delta Dental PPO Dentists and Delta Dental Dentists can be obtained by calling 800-765-6003. This list will identify those dentists who can provide care for individuals who have mobility impairments or have special health care needs. You can also obtain specific information about Delta Dental PPO Dentists and Delta Dental Dentists by using our web site – www.deltadentalins.com/ucgship or calling the Delta Dental Customer Service department at the number shown on page 1.

Services may be obtained from any licensed dentist during normal office hours. Emergency services are available in most cases through an emergency telephone exchange maintained by the local dental society listed in the local telephone directory.

Services from dental school clinics may be provided by students of dentistry or instructors who are not licensed by the state of California.

Delta Dental shares the public and professional concern about the possible spread of HIV and other infectious diseases in the dental office. However, Delta Dental cannot ensure your dentist's use of precautions against the spread of such diseases, or compel your dentist to be tested for HIV or to disclose test results to Delta Dental, or to you. Delta Dental informs its panel dentists about the need for clinical precautions as recommended by recognized health authorities on this issue. If you should have questions about your dentist's health status or use of recommended clinical precautions, you should discuss them with your dentist.

CONTINUITY OF CARE

Current Enrollees:

Current Enrollees may have the right to the benefit of completion of care with their terminated Delta Dental Dentist for certain specified dental conditions. Please call Delta Dental's Quality Assessment Department at 415-972-8300 to see if you may be eligible for this benefit. You may request a copy of Delta Dental's Continuity of Care Policy. You must make a specific request to continue under the care of your terminated Delta Dental Dentist. We are not required to continue your care with that dentist if you are not eligible under our policy or if we cannot reach agreement with your terminated Delta Dental Dentist on the terms regarding your care in accordance with California law.

New Enrollees:

A new Enrollee may have the right to the qualified benefit of completion of care with their non-Delta Dental Dentist for certain specified dental conditions. Please call Delta Dental's Quality Assessment Department at 415-972-8300 to see if you may be eligible for this benefit. You may request a copy of Delta Dental's Continuity of Care Policy. You must make a specific request to continue under the care of your current provider. We are not required to continue your care with that dentist if you are not eligible under our policy or if we cannot reach agreement with your non-Delta Dental Dentist on the terms regarding your care in accordance with California law. This policy does not apply to new Enrollees of an individual subscriber contract.

PUBLIC POLICY PARTICIPATION BY ENROLLEES

Delta Dental's Board of Directors includes Enrollees who participate in establishing Delta Dental's public policy regarding Enrollees through periodic review of Delta Dental's Quality Assessment program reports and communication from Enrollees. Enrollees may submit any suggestions regarding Delta Dental's public policy in writing to: Delta Dental of California, Customer Service Department, P. O. Box 997330, Sacramento, CA 95899-7330.

SAVING MONEY ON YOUR DENTAL BILLS

You can keep your dental expenses down by practicing the following:

1. Compare the fees of different dentists;
2. Use a Delta Dental PPO Dentist;
3. Have your dentist obtain predetermination from Delta Dental for any treatment over \$300;
4. Visit your dentist regularly for checkups;
5. Follow your dentist's advice about regular brushing and flossing;
6. Avoid putting off treatment until you have a major problem; and
7. Learn the facts about overbilling. Under this plan, you must pay the dentist your co-payment share (see YOUR BENEFITS). You may hear of some dentists who offer to accept insurance payments as "full payment." You should know that these dentists may do so by overcharging your plan and may do more work than you need, thereby increasing plan costs. You can help keep your dental Benefits intact by avoiding such schemes.

YOUR FIRST APPOINTMENT

During your first appointment, be sure to give your dentist the following information:

1. Your Delta Dental group number (on the front of this booklet);
2. The plan name (University of California Graduate Student Health Insurance Plan);
3. Primary Enrollee's ID number (which must also be used by Dependents);
4. Primary Enrollee's date of birth; and
5. Any other dental coverage you may have.

ACCESSIBILITY AND SERVICES FOR AFTER-HOURS AND URGENT CARE

If you or a family member has special needs, you should ask your dentist about accessibility to their office or clinic at the time you call for an appointment. Your dentist will be able to tell you if their office is accessible taking into consideration the specific requirements of your needs.

Routine or urgent care may be obtained from any licensed dentist during their normal office hours. Delta Dental does not require prior authorization before seeking treatment for urgent or after-hours care. You may plan in advance, for treatment for urgent, emergency or after-hours care by asking your dentist how you can contact the dentist in the event you or a family member may need urgent care treatment or treatment after normal business hours. Many dentists have made prior arrangements with other dentists to provide care to you if treatment is immediately or urgently needed. You may also call the local dental society that is listed in your local telephone directory if your dentist is not available to refer you to another dentist for urgent, emergency or after-hours care.

PREDETERMINATIONS

After an examination, your dentist will talk to you about treatment you may need. The cost of treatment is something you may want to consider. If the service is extensive and involves crowns or bridges, or if the service will cost more than \$300, we encourage you to ask your dentist to request a predetermination.

A predetermination does not guarantee payment. It is an estimate of the amount Delta Dental will pay if you are eligible and meet all the requirements of your plan at the time the treatment you have planned is completed.

In order to receive predetermination, your dentist must send a claim form listing the proposed treatment. Delta Dental will send your dentist a Notice of Predetermination which estimates how much you will have to pay. After you review the estimate with your dentist and decide to go ahead with the treatment plan, your dentist returns the form to us for payment when treatment has been completed.

Computations are estimates only and are based on what would be payable on the date the Notice of Predetermination is issued if the individual is eligible. Payment will depend on the individual's eligibility and the remaining annual Maximum when completed services are submitted to Delta Dental.

Predetermining treatment helps prevent any misunderstanding about your financial responsibilities. If you have any concerns about the predetermination, let us know before treatment begins so your questions can be answered before you incur any charges.

REIMBURSEMENT PROVISIONS

A Delta Dental Dentist will file the claim for you. You do not have to file a claim or pay Delta Dental's co-payment for covered services if provided by a Delta Dental Dentist. Delta Dental of California's agreement with our Delta Dental Dentists makes sure that you will not be responsible to the dentist for any money we owe.

If the covered service is provided by a dentist who is not a Delta Dental Dentist, you are responsible for filing the claims and paying your dentist. Claims should be filed with Delta Dental of California at P. O. Box 997330, Sacramento, CA 95899-7330 and Delta Dental will reimburse you. However, if for any reason we fail to pay a dentist who is not a Delta Dental Dentist, you may be liable for that portion of the cost. Payments made to you are not assignable (in other words, we will not grant requests to pay non-Delta Dental Dentists directly).

Payment for claims exceeding \$500 for services provided by dentists located outside the United States may, at Delta Dental's option, be conditioned upon a clinical evaluation at Delta Dental's request (see Second Opinions). Delta Dental will not pay Benefits for such services if they are found to be unsatisfactory.

Delta Dental does not pay Delta Dental Dentists any incentive as an inducement to deny, reduce, limit or delay any appropriate service. If you wish to know more about the method of reimbursement to Delta Dental Dentists, you may call Delta Dental's Customer Service department for more information.

Payment for any Single Procedure that is a Covered Service will only be made upon completion of that procedure. Delta Dental does not make or prorate payments for treatment in progress or incomplete procedures. The date the procedure is completed governs the calculation of any Deductible (and determines when a charge is made against any Maximum) under your plan.

If there is a difference between what your dentist is charging you and what Delta Dental says your portion should be, or if you are not satisfied with the dental work you have received, contact Delta Dental's Customer Service department. We may be able to help you resolve the situation.

Delta Dental may deny payment of a claim for services submitted more than 12 months after the date the services were provided. If a claim is denied due to a Delta Dental Dentist's failure to make a timely submission, you shall not be liable to that dentist for the amount which would have been payable by Delta Dental (unless you failed to advise the dentist of your eligibility at the time of treatment).

The process Delta Dental uses to determine or deny payment for services is distributed to all Delta Dental Dentists. It describes in detail the dental procedures covered as Benefits, the conditions under which coverage is provided, and the limitations and exclusions applicable to the plan. Claims are reviewed for eligibility and are paid according to these processing policies. Those claims which require additional review are evaluated by Delta Dental's dentist consultants. If any claims are not covered, or if limitations or exclusions apply to services you have received from a Delta Dental Dentist, you will be notified by an adjustment notice on the Notice of Payment or Action. You may contact Delta Dental's Customer Service department for more information regarding Delta Dental's processing policies.

Delta Dental uses a method called "first-in/first-out" to begin processing your claims. The date we receive your claim determines the order in which processing begins. For example, if you receive dental services in January and February, but we receive the February claim first, processing begins on the February claim first.

Incomplete or missing data can affect the date the claim is paid. If you or your dentist has not provided Delta Dental with all information necessary to complete claim processing, payment could be delayed until any missing or incomplete data is received by Delta Dental.

Unless the services are exempt, you are required to pay the Deductible on the first claim for which processing is completed in a contract year. Your Deductible is normally paid on the first service subject to a deductible listed on a claim with multiple services.

The order in which your claims are processed and paid by Delta Dental may also impact your annual Maximum. For example, if a claim with a later date of service is paid and your annual Maximum for the year has been reached then a claim with an earlier date of service in the same contract year will not be paid.

Maximums can also be affected when the amount paid for services provided by Delta Dental PPO Dentists is higher than the maximum paid for services provided by a dentist who is not a Delta Dental PPO dentist. For example, if the Delta Dental PPO Plan's annual Maximum is \$1,200 and the maximum for services provided by a dentist who is not a Delta Dental PPO dentist is \$1,000 and Delta Dental has paid \$1,000 or more dollars for covered dental services, you do not qualify for any further payments for services provided by a dentist who is not a Delta Dental PPO dentist. But, if any other covered services are provided by a Delta Dental PPO Dentist, you qualify for an additional \$200.

IF YOU HAVE QUESTIONS ABOUT SERVICES FROM A DELTA DENTAL DENTIST

If you have questions about the services you receive from a Delta Dental Dentist, we recommend that you first discuss the matter with your dentist. If you continue to have concerns, call our Quality Assessment department at 415-972-8300, extension 2700. If appropriate, Delta Dental can arrange for you to be examined by one of our consulting dentists in your area. If the consultant recommends the work be replaced or corrected, Delta Dental will intervene with the original dentist to either have the services replaced or corrected at no additional cost to you or obtain a refund. In the latter case, you are free to choose another dentist to receive your full Benefit.

SECOND OPINIONS

Delta Dental obtains second opinions through Regional Consultant members of its Quality Review Committee who conduct clinical examinations, prepare objective reports of dental conditions, and evaluate treatment that is proposed or has been provided.

Delta Dental will authorize such an examination prior to treatment when necessary to make a Benefits determination in response to a request for a Predetermination of treatment cost by a dentist. Delta Dental will also authorize a second opinion after treatment if an Enrollee has a complaint regarding the quality of care provided. Delta Dental will notify the Enrollee and the treating dentist when a second opinion is necessary and appropriate, and direct the Enrollee to the Regional Consultant selected by Delta Dental to perform the clinical examination. When Delta Dental authorizes a second opinion through a Regional Consultant, we will pay for all charges.

Enrollees may otherwise obtain second opinions about treatment from any dentist they choose, and claims for the examination may be submitted to Delta Dental for payment. Delta Dental will pay such claims in accordance with the Benefits of the plan.

This is only a summary of Delta Dental's policy on second opinions.

ORGAN AND TISSUE DONATION

Donating organ and tissue provides many societal benefits. Organ and tissue donation allows recipients of transplants to go on to lead fuller and more meaningful lives. Currently, the need for organ transplants far exceeds availability. If you are interested in organ donation, please speak to your physician. Organ donation begins at the hospital when a person is pronounced brain dead and identified as a potential organ donor. An organ procurement organization will become involved to coordinate the activities.

GRIEVANCE PROCEDURE AND CLAIMS APPEAL

If you have any questions about the services received from a Delta Dental Dentist, we recommend that you first discuss the matter with your Dentist. If you continue to have concerns, you may call or write us. We will provide notifications if any dental services or claims are denied, in whole or part, stating the specific reason or reasons for denial. Any questions of ineligibility should first be handled directly between you and your group. If you have any question or complaint regarding the denial of dental services or claims, the policies, procedures and operations of Delta Dental, or the quality of dental services performed by a Delta Dental Dentist, you may call us toll-free at **800-765-6003**, contact us on our web site at: www.deltadentalins.com/ucgship or write us at P. O. Box 997330, Sacramento, CA 95899-7330, Attention: Customer Service Department.

If your claim has been denied or modified, you may file a request for review (a grievance) with us within 180 days after receipt of the denial or modification. If in writing, the correspondence must include your group name and number, the Primary Enrollee's name and ID number, the inquirer's telephone number and any additional information that would support the claim for benefits. Your correspondence should also include a copy of the treatment form, Notice of Payment and any other relevant information. Upon request and free of charge, we will provide the Enrollee with copies of any pertinent documents that are relevant to the claim, a copy of any internal rule, guideline, protocol, and/or explanation of the scientific or clinical judgment if relied upon in denying or modifying the claim.

Our review will take into account all information, regardless of whether such information was submitted or considered initially. Certain cases may be referred to one of our regional consultants, to a review committee of the dental society or to the state dental association for evaluation. Our review shall be conducted by a person who is neither the individual who made the original claim denial, nor the subordinate of such individual, and we will not give deference to the initial decision. If the review of a claim denial is based in whole or in part on a lack of medical necessity, experimental treatment, or a clinical judgment in applying the terms of the contract terms, we shall consult with a dentist who has appropriate training and experience. The identity of such dental consultant is available upon request.

We will provide the Enrollee a written acknowledgement within five calendar days of receipt of the request for review. We will make a written decision within 30 calendar days of receipt of the request for review. We will respond, within three calendar days of receipt, to complaints involving severe pain and imminent and serious threat to an Enrollee's health. You may file a complaint with the Department of Managed Health Care after you have completed Delta Dental's grievance procedure or after you have been involved in Delta Dental's grievance procedure for 30 calendar days. You may file a complaint with the Department immediately in an emergency situation, which is one involving severe pain and/or imminent and serious threat to the Enrollee's health.

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against Delta Dental, your health plan, you should first telephone Delta Dental at **800-765-6003** and use Delta Dental's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 calendar days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (**888-HMO-2219**) and a TDD line (**877-688-9891**) for the hearing and speech impaired. The department's Internet Web site (<http://www.hmohelp.ca.gov>) has complaint forms, IMR application forms and instructions online.

IMR is generally not applicable to a dental plan, unless that dental plan covers services related to the practice of medicine or offered pursuant to a contract with a health plan providing medical, surgical or hospital services.

IF YOU HAVE ADDITIONAL COVERAGE

It is to your advantage to let your dentist and Delta Dental know if you have dental coverage in addition to this Delta Dental plan. Most dental carriers cooperate with one another to coordinate payments and still allow you to make use of both plans - sometimes paying 100% of your dental bill. For example, you might have some fillings that cost \$100. If the primary carrier usually pays 80% for these services, it would pay \$80. The secondary carrier might usually pay 50% for this service. In this case, however, the secondary plan's payment is limited to the amount of your out-of-pocket cost under the primary plan; the secondary carrier pays the remaining \$20 only. Since this method pays 100% of the bill, you have no out-of-pocket expense.

Be sure to advise your dentist of all plans under which you have dental coverage and have him or her complete the dual coverage portion of the claim form, so that you will receive all benefits to which you are entitled. For further information, contact the Delta Dental Customer Service department at the number in the USING THIS BOOKLET section.

UC GSHIP is secondary to all other dental coverage except Medi-Cal.

Your Rights Regarding PHI

You have the right to request an inspection of and obtain a copy of your PHI. You may access your PHI by contacting the appropriate Delta Dental office. You must include (1) your name, address, telephone number and identification number and (2) the PHI you are requesting. Delta Dental may charge a reasonable fee for providing you copies of your PHI. Delta Dental will only maintain that PHI that we obtain or utilize in providing your health care benefits. You may need to contact your health care provider to obtain PHI that Delta Dental does not possess.

You may not inspect or copy PHI compiled in reasonable anticipation of, or use in, a civil, criminal, or administrative action or proceeding, or PHI that is otherwise not subject to disclosure under federal or state law. In certain cases we may deny your request for an amendment. If we deny your request for amendment, you have the right to file a statement of disagreement with us and we may prepare a rebuttal to your statement and will provide you with a copy of any such rebuttal. If your PHI was sent to us by another, we may refer you to that person to amend your PHI. For example, we may refer you to your dentist to amend your treatment chart or to your employer, if applicable, to amend your enrollment information. Please contact the privacy office as noted below if you have questions about amending your PHI.

You have the right to request or receive confidential communications from us by alternative means or at a different address. We will agree to a reasonable request if you tell us that disclosure of your PHI could endanger you. Please make this request in writing to the privacy office as noted below.

You have the right to receive an accounting of certain disclosures we have made, if any, of your PHI. This right does not apply to disclosures for purposes of treatment, payment, or health care operations or for information we disclosed after we received a valid authorization from you. We do not need to account for disclosures made for national security reasons or certain law enforcement purposes, disclosures made as part of a limited data set, incidental disclosures, or disclosures made prior to April 14, 2003.
