If you are enrolled in UC SHIP (Undergraduate or Graduate) and need non-emergency medical care, you must first go the UCSC Student Health Center (SHC) during regular business hours.

### Copays for off-campus urgent and emergency care:
- Urgent Care: $25—**Referral from UCSC SHC Insurance Office may be required** see highlighted info below
- Hospital Emergency Room: $125

If the UCSC Student Health Center is closed, or in case of emergency, a student should go to an urgent care center or an emergency room, if required for treatment. **In this case, the SHC Insurance Office must be notified at (831) 459-2389 of the off-campus treatment within 24 hours, or the next day the SHC is open, in order to expedite claim processing.** After-hours, emergency care, and urgent care visits are covered by UC SHIP. Follow-up care must be provided at the SHC. A written referral must be provided for continuing off campus care.

Services that are not referred by the Student Health Center are not covered.
