Student Health Insurance (UC SHIP) Information for After Hours Care

IMPORTANT NOTE: If you feel you need emergency care, by all means, visit one of the facilities listed on the front of this document. No referral is needed for urgent or emergency care.

If you are enrolled in UC SHIP (Undergraduate or Graduate) and need non-emergency medical care, you must first go the UCSC Student Health Center (SHC) during regular business hours.

Copays for off-campus urgent and emergency care:

Urgent Care: \$50

Hospital Emergency Room: \$100

If the UCSC Student Health Center is closed, or in case of emergency, a student should go to an urgent care center or an emergency room, if required. In this case, the SHC Insurance Office must be notified at (831) 459-2389 of the off-campus treatment within 24 hours, or the next day the SHC is open, in order to expedite claim processing. After-hours, emergency care, and urgent care visits are covered by UC SHIP. Follow-up care must be provided at the SHC. A written referral must be provided for continuing off campus care. Services that are not referred by the Student Health Center are not covered.
