• Convenient Urgent Care Centers and full range of medical services in town
• Find After Hours Care handout at doors at Student Health Center and on our website:
  healthcenter.ucsc.edu
• Access Anthem Live Health Online by computer or mobile device
UC Health Insurance Requirements

- UCOP requires that every student have access to local health care with health insurance
- Students are required to submit information and documentation that they are enrolled in a health insurance plan that meets the UC requirements
- We are required to provide a health insurance plan if that information is not submitted
Health Insurance Must Have:

• Unrestricted access to in-network primary care
• Unrestricted access to behavioral health care
• Access to a hospital providing full non-emergency care
• Must work within 30 miles of campus or your place of residence while attending school
• All students must show they have this level of care
WAIVING: Saying no to UC SHIP

• Every student is automatically enrolled in the UC Student Health Insurance Plan (UC SHIP)
• You can say “no” and not accept our insurance - this is Waiving UC SHIP
• Students must submit proof that their private insurance meets the UC and ACA requirements
• The insurance is audited, then students are notified by email that the waiver was accepted
• The student is billed for our insurance unless the waiver is submitted every year
Considerations for Waiving

• Are there any geographic boundaries for your private plan?
  – Some Medi-Cal plans are limited to the county where the student lives
  – Some plans are very local in their provider lists
  – Note Kaiser clinics are in Scotts Valley and Watsonville

• Are there providers who accept your plan here in Santa Cruz?
  – Need to make sure the providers listed on your panel are actually Taking New Patients
Vocabulary of Insurance

**Premium**: the money you pay to be enrolled in an insurance plan, typically paid monthly

– Some people pay no premium because their job pays it as a benefit of the job
– Some people have to pay the premium to cover their families

**Deductible**: The money you must spend before any insurance benefit begins
Vocabulary of Insurance

**Copay:** Money you pay for each visit when you see a health care provider and the amount you pay for each prescription

**Coinsurance:** The portion of the cost of care that you pay. Typically given as a percent of the total cost and is variable. For example, UC SHIP coinsurance is 85%. After the deductible, the student is responsible for 15% of fees
More About Insurance

- Insurance companies sell a plan to an employer.
- The employer chooses the type of plan they will offer their employees.
- The insurance card will tell us the name of the insurance company (i.e. Anthem Blue Cross PPO) but it does not tell us anything about your particular plan.
More About Insurance

• The Student Health Center is not a provider for any other plan including other Anthem plans
• The Student Health Center is not a preferred provider or contracted with any other insurance plan
• We do not submit bills to other insurance companies to seek reimbursement for services; any fees are billed directly to the student
UC SHIP

• Anthem/Blue Cross PPO plan
• Student Health Center is where all care starts
• 12 months, world-wide, excellent plan
• Cost: Undergraduate: $932 per quarter or $2,796 full year - $233 per month but billed quarterly for 3 quarters
• Graduate Student: $1,493/quarter or $4,479/year - $374/month billed quarterly
• Insurance can be purchased for dependents
UC SHIP Plan

- No charges for visits at Student Health Center*
- $25 copay for Urgent Care or specialist care off campus (must have referral for specialist care)
- $20 copay for outpatient mental health visits
- Deductible is $300 - always waived at the SHC
- Coinsurance is 15% after deductible
- Referrals are required for all non-urgent or non-emergency care

*No charge for the visit. Fees may be assessed for procedures, supplies, medications and lab tests sent off campus.
UC SHIP Health Insurance Benefits

- No pre-existing condition exclusion
- No maximum life-time benefit
- 100% coverage for preventive care services
- Out of Pocket Maximum:
  - $3,000 for in-network care
  - $6,000 for out-of-network care
- No limit on pharmacy prescription benefit
- Dental and Vision Coverage (with limits)
- Insurance ID card is an app!
