

Using your Student Health Plan

3 tips to start using your Student Health Plan

1 Download the free StudentHealth app

- Search for StudentHealth in the App Store® or GooglePlay™

2 Check out your Anthem ID card

- Open the StudentHealth through the app or online
- Select ID Cards

3 Understand what your health care summary means

- After you receive care, we send you a health care summary
- Think of it as a synopsis of your recent care

If you need help, click-to-call or use the chat feature to speak with a Student Support Specialist in your StudentHealth app or online
