Eligible dependents of an enrolled UC SHIP student include:

a) Biological child(ren), b) Stepchild(ren) (A stepchild becomes a dependent on the date the student marries the child's parent.), c) Child(ren) of the insured student's domestic partner, d) Adopted child(ren) from the date of placement as certified by the agency making the placement, e) Foster child(ren) under the age of 18 (A foster child becomes a dependent from the moment of placement), f) Child(ren) for whom the insured student is legally required to provide health insurance in accordance with an administrative or court order, provided that the child otherwise meets UC SHIP eligibility requirements.

d) Child(ren) of the insured and Child(ren) Only

NOTE: If both student parents are covered under UC SHIP, their children may be covered as the dependents of either student, but not both.

Newborns: Newborns of enrolled UC SHIP members (students, eligible spouse, or domestic partner) are covered for the first 31 days after birth, provided Anthem is notified within this time period. For coverage beyond the first 31 days after birth, the newborn must be enrolled in UC SHIP as a dependent within 31 days of birth.
