

## Students Come First—Always

UC SHIP is built specifically for UC students, with students actively involved in its design. Since inception, the guiding principle has been simple: Your health and health needs come first—always.

UC SHIP meets the requirements of the Affordable Care Act (ACA). UC SHIP remains focused on meeting student health needs and priorities, including mental health.

## You're Automatically Enrolled

Because all UC students are required to have medical insurance, UC automatically enrolls all registered students—including domestic and international students, and students in-absentia—in UC SHIP medical, pharmacy, dental and vision coverage. You will find the cost of coverage (premium) on your registration bill.

You can waive UC SHIP coverage if you already have a health plan that meets the University's health coverage requirements. Go to [healthcenter.ucsc.edu/forms](http://healthcenter.ucsc.edu/forms) to learn how to waive enrollment in UC SHIP before the waiver deadline for your campus.

**Note:** You must re-apply to waive coverage each fall term.

## You Can Cover Your Spouse, Domestic Partner and Child(ren), too

If you're enrolled in UC SHIP and are married and/or have children, you can enroll those eligible dependents in the same medical, pharmacy, dental and vision coverage you have for yourself. Call Wells Fargo at (800) 853-5899 for rate information and to enroll them. For information about who you can enroll in UC SHIP, go to [ucop.edu/ucship](http://ucop.edu/ucship) > **Eligibility and Enrollment**.

## The UC SHIP Plans Meet Affordable Care Act (ACA) Requirements

UC SHIP is recognized by the Centers for Medicaid & Medicare Services (CMS) as Minimum Essential Coverage (MEC) in compliance with the ACA. This means UC SHIP members meet the ACA individual mandate.

UC SHIP is convenient to access through the on-campus student health center (SHC). Start there for non-emergency medical care that's covered, and for referrals to specialists when needed.

When compared to Preferred Provider Organization (PPO) plans, UC SHIP provides a broader physician network and lower deductibles and out-of-pocket maximums.

With UC SHIP you can choose to see any provider with a referral from the SHC.

## Getting Care

### Your First Stop for Medical Care is ALWAYS the Student Health Center

For routine care, start at the student health center (SHC) on your campus. This is the first stop for care that is covered by UC SHIP, unless it is emergency care in an emergency room, urgent care clinic visits, pediatric care, obstetric services for pre-natal or maternity care, or gynecological care.

The SHC is an on-campus outpatient health center offering a range of health services—from primary care to routine checkups, mental health and substance use disorder services and general care for unexpected issues, like sore throats or swollen ankles. There is also a full-service pharmacy.

You will be cared for by a team of experts in young adult health—board-certified doctors, certified nurse practitioners, physician assistants and nurses.

### You MUST Get a Referral for Medical Care Outside of the Student Health Center

If needed, the SHC will refer you to, and coordinate, additional or specialist care outside of the SHC. You will need a referral for care outside of the SHC, no matter how far from the campus you receive that care. Without it, UC SHIP will not provide any benefits. To get a referral, meet with a SHC provider.

Your referral gives you options for off-campus care, including:

- **UC Medical Centers.** Any of the five nationally ranked medical centers (at Davis, Irvine, Los Angeles, San Diego and San Francisco), or a UC-affiliated facility, doctor, or other health care provider. (Be sure to get a referral *before* making an appointment.)
- **Anthem Blue Cross Prudent Buyer network doctors and other providers and facilities.** A nationwide network of more than 50,000 physicians and 400 hospitals. You'll first pay a deductible (see the Medical Coverage chart), then UC SHIP will pay most of the cost, and you'll pay the rest through a copay or coinsurance (the amount you're responsible for after UC SHIP pays its share).

## You're Covered Around the World

Whether studying, traveling or living outside of the country, you and your dependents covered under UC SHIP can get care through the Blue Cross Blue Shield Global Core program. Learn more at [bcbsglobalcore.com](http://bcbsglobalcore.com).

### Referrals are Required

You must get an SHC referral for care outside of the SHC regardless of the distance from campus.

Referrals are not required for emergency care in an emergency room, urgent care clinic visits, pediatricians, obstetricians for pre-natal or maternity care or gynecologists.

However, you will be responsible for paying a deductible and part of the cost through a copay or coinsurance (the amount you're responsible for after UC SHIP pays its share).

## Dental Coverage

UC SHIP provides the highest benefits when you receive services from dentists in the Delta Dental PPO network. You decide how you want to manage costs by selecting a network or out-of-network dentist. Certain expenses and services are excluded from Dental coverage. You'll find a list on the UC SHIP site at [ucop.edu/ucship](http://ucop.edu/ucship) > [Benefits](#) > [My-Dental-Coverage](#). Download the DeltaDental app (from Google Play or iTunes) to access the Delta Dental Cost Estimator tool for a real-time estimate of what you'll pay for dental work.
