Delta Dental PPOSM

Save with PPO

Visit a dentist in the PPO network to maximize your savings.¹ These dentists have agreed to reduced fees, and you won't get charged more than your expected share of the bill.² Find a PPO dentist at deltadentalins.com/ucship.

Set up an online account

Get information about your plan anytime, anywhere by signing up for an Online Services account at deltadentalins.com/ucship. This free service, available once your coverage kicks in, lets you check benefits and eligibility information, find a network dentist and more.

Register with your student ID number (including all alphanumeric characters) or your medical ID number (beginning with the number "8" and no letters).

Print an ID card at home

You don't need a Delta Dental ID card when you visit the dentist. Just provide your name, birth date and student ID or medical number. Prefer to take a paper or electronic ID card with you? Simply sign in to Online Services, where you can view or print your card with the click of a button.

Visit the dentist

Once you've found a dentist in the PPO network, call to make an appointment. The dentist directory at deltadentalins.com/ucship includes phone numbers and addresses.

Get a cost estimate

Budget for dental expenses with the Cost Estimator. Go to deltadentalins.com/ucship, log in to Online Services and click on **Cost Explorer** by your name. You'll get a cost estimate personalized to your benefits, including maximums and deductibles, and you can compare the cost of the same procedure at different dentists.

Save with a PPO dentist

¹ You can still visit any licensed dentist, but your out-of-pocket costs may be higher if you choose a non-PPO dentist. Network dentists are paid contracted fees.

² You are responsible for any applicable deductibles, coinsurance, amounts over plan maximums and charges for non-covered services.
