- Travel Consultations
- Nutrition Services
- Allergy Immunotherapy
- Pharmacy
- Optometry
- Laboratory
- X-Ray
- Health Promotion
- Wellness
- Screening Services
- Counseling & Psychological Services (CAPS)

3 IMPORTANT THINGS TO KNOW

1 The University of California Regents mandate that all students be covered by a health insurance plan. Beginning this Fall, this includes students in the Education Abroad Program.

2 All students are automatically enrolled in the UC Student Health Insurance Plan (UC SHIP) and the premium is charged to their student account.

3 If you have insurance and you don’t want to keep UCSHIP as dual coverage, you must waive enrollment by 9/1/15.

You must act before September 1, 2015 to ensure compliance with State regulations and University requirements.

Provide all required information online.

New & Returning Student Health Information
IMMUNIZATION

New UC Immunization Requirement!!
Find out more by visiting our website at http://healthcenter.ucsc.edu/information/uc_vaccines.html

While California state law only requires Hepatitis B vaccination for students who will not be 19 years of age by 9/19/2015, in the event of a community outbreak you may be required to show proof of other immunizations.

Starting Fall 2016, all incoming students will be REQUIRED to receive the vaccinations and tuberculosis screening per the CDPH recommendations (see chart on our website).

Other health information:
- Online Personal Health History (recommended for all new students)
- Medical Records—Obtain your medical records if you are being followed for a medical condition
- The UCSC Pharmacy fills most prescriptions from any US clinician and can transfer refills.

IMPORTANT!
UC Santa Cruz requires that all students have a primary care provider within 30 miles of their school address (on or off campus). Many students with Kaiser, Medi-Cal, or HMO insurance cannot meet this requirement. If you cannot identify a provider within this 30 mile radius, you may not qualify to waive the UCSHIP. Please read this special waiver requirement carefully on our website: healthcenter.ucsc.edu

UCSHIP complies with benefit levels established by the Affordable Care Act (ACA)
