DO YOU HAVE UC SHIP?

UCSHIP

Student Health Insurance Plan

UC SHIP covers after-hours, emergency care, and urgent care visits. View the UC SHIP brochure or Sydney app for the copay fees for off-site care. Here's how it works:

- If you are enrolled in UC SHIP and need non-emergency medical care, you must first go the Student Health Center (SHC) during business hours.
- If SHC is closed or you have an emergency, go to an urgent care center or a hospital emergency room. Within 24 hours or by the next business day, you need to notify the SHC at (831) 459-2500 to schedule a follow up appointment.

*Follow-up care must be provided at the SHC. A written referral must be provided for continuing off campus care. Services that are not referred by the SHC are not covered.
